RE: Freedom of Information Act Request, FOIA Request **EPA-R2-2015-002510 (Antonio R. Barcelo School at Calle Salisbury, Int. Pedro Marquez Celubra, PR 00775)**

Dear Mr. Mazziotta:

This is in response to your Freedom of Information Act (FOIA) request, dated December 29, 2014, associated with Antonio R. Barcelo School at Calle Salisbury, Int. Pedro Marquez Celubra, PR 00775. An EPA staff has reviewed you request. Below please find the information gathered:

According to the information available in Envirofacts on March 3, 2015, the facility identified as EPA-R2-2015-002510: Antonio R. Barcelo School located at Calle Salisbury, Int. Pedro Marquez Culebra, PR 00775 was regulated under the Clean Water Act. According to the information available in ECHO, an Enforcement Action was issued in 2012 for its sanitary wastewater discharges without a NPDES Permit. The case was closed on March 29, 2012 and the facility eliminated the discharge.

This concludes your request.

Cordially,
